The "9th International Paint, Paint Raw Materials, Construction Chemicals and Adhesive Raw Materials, Laboratory and Production Equipment Exhibition" paintistanbul & Turkcoat will be held between 08-10 May 2024 at 1-3 Halls. will bring the paint, raw materials and construction chemicals industry together once again in cooperation with Artkim and The Association of Paint Industry (BOSAD).

Turkey, which is the 5th largest paint producer in Europe in terms of production capacity and has approximately 2% of the global market, grows within the framework of economic and commercial developments in the global market and contributes to the Turkish economy and main chemical industry. In this context, "paintistanbul & Turkcoat", which is held with international participation, is an ideal organization for the growing paint and raw materials in domestic and foreign markets.
